From a massive parking lot to lush gardens, Kuber's Sindhuri also has a Gym overlooking the Arabian sea so you can relax after an exhausting workout and enjoy the calm of the settled waters. If the desire to bathe starts gnawing at you, the rooftop infinity pool with its eagle water source and attached pergola will be just what you need to satisfy those desires.

You can head over to the clubhouse to meet and greet other residents after a long day or head upstairs to the penthouse to enjoy dinner under the starry night sky.
